Hi! Thank you for having interest in my illustrations.
I am an illustrator born in Tokyo Japan in 1984.

I'm good at painting illustrations of children, animals and plants.
Children I painted are so lively, because I love spending time
with my children. I and my three children have watched insects,
fished, cooked, and played sports together for over 10 years.
Because of I love children, plants, animals, insects so I can paint
them lovely.

Works

Japanese elementary school text book illustrations,
shrine flyer, illustration for board games,
ice cream package, illustrations for
children book etc.

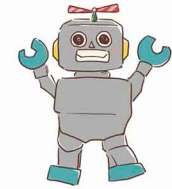

Packages

Illustrations of children looks like having fun are perfect for
the packages.

personal works

Book illustrations

I have read aloud to my children everyday for over 10 years. Books I read are over ten thousands in total, so that I can paint illustrations in an easy-to-understand and expressive style.

illustrations for
Japanese elementary school
textbook

Bookcover illustrations

I won a prize in Japanese famous book cover contest. I love reading books, so I want paint many bookcover illustrations!

Luckily my daughter has my illustrations in her textbook!

Small illustrations

I can draw people of all ages with cozy style.

You can break up a single picture and use it as a small illustrations.

I can also draw illustrations with lines.

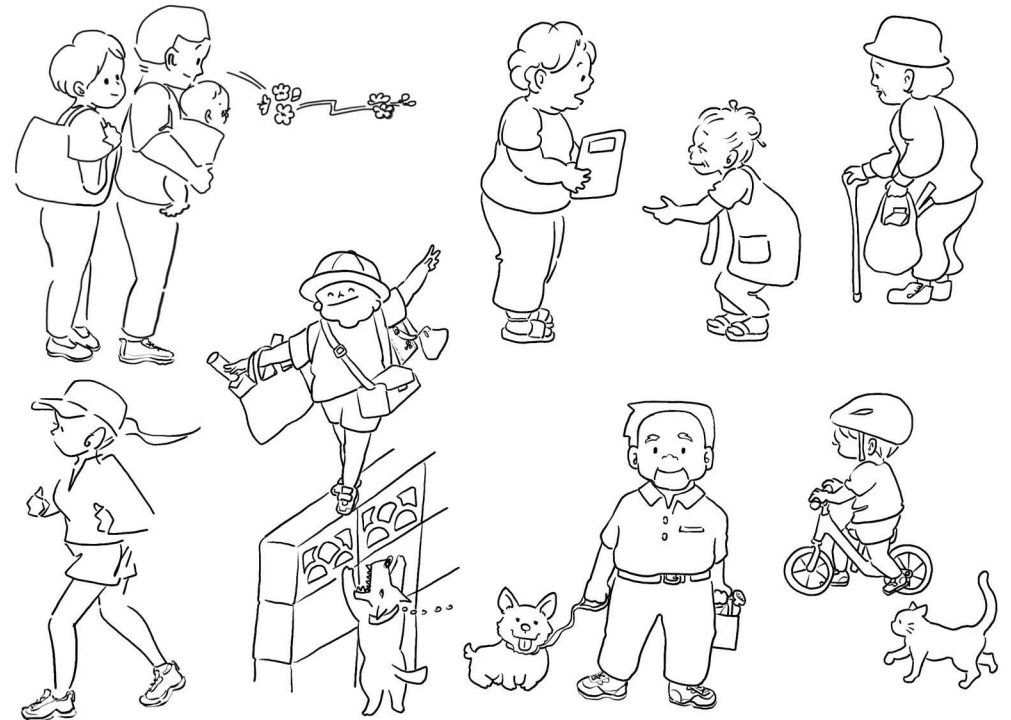

Illustrations for young children

I' m good at character design.

Black-and-white illustrations

I can make black-and-white illustrations also. You can use color illustrations in black and white.

Portraits

They are Japanese famous novelists.

Acrylic gouache

I often paint using acrylic gouache. You can also purchase the original analog illustrations.

Workflow

1 Please contact me via website or email

Please feel free to contact me. I would appreciate if you could tell me about your budget,schedule, media used, etc.

2 Detailed meeting

Meetings can be held via email or zoom.

3 I will send you a rough drawing,so please check it.

After receiving your fomal request,I will create a rough sketch. Please watch the rough sketch and let me know what needs to be changed.

4 I will send you completed illustration.

Once there are no changes to the rough sketch. I will finish to paint the illustration and send it to you.

Thank you for reading this portfolio until the very end.
